

ROSENBAUM BROS.

Harvest Time in the Cloak Stock.

And we're reaping the legitimate results of months of careful thought and selection. Fix firmly in your mind this garment section of ours when on buying bent. Not a garment leaves this department but has sterling value to it. It is worth something for you to know this. All ready for another week of grand cloak selling.

Capes For Everybody.

- You'll think so when you see the stock. This is cloak weather. There's a snap in the air; there's a snap to the business. This department is right on the jump just now, and such values as these will keep it jumping.
- No. 1. Black beaver Cape, trimmed with velvet and braid, well worth \$3.50; they go this week for \$2.19.
- No. 2. Black Beaver Cape, trimmed with mohair braid—wide sweep—worth \$4; they go for \$2.98.
- No. 3. Black Boucle Cloth—trimmed all around with cone fur and mohair braid, well worth \$5; our price \$3.98.
- No. 4. Silk Plush, trimmed with thibet fur, full sweep, changeable silk lining. We feel confident they are worth \$6.50; our price this week only \$5.
- No. 5. Silk Plush, handsomely trimmed with jet and braid, and thibet fur down the front and around the collar, the \$7.50 kind; our price this week \$6.19.

Jaunty Jackets.

- Been ransacking the market to fill up the depleted stock. Many new styles to show you, each the best of its kind. Astonishing what a little money will do in this coat matter.
- No. 6. Rough effect Jackets, just the thing you have been looking for and very hard to get; only a few of them left and they go this week at \$4.50.
- No. 7. Black Beaver Jackets, something nobby and stylish; we will close them out for \$9 apiece; would be cheap at \$12. We also have a full line of finer grade jackets; its equal cannot be found in the city at the price.

Millinery.

In this department we can safely say we are the leader and why? Because we carry the best display the style and the most important prices are correct.

Dress Goods Last,

- But not least by any means. We're doing the business, and small wonder. Low prices is the lever that has lifted this department into its present prominence. Just eight items from a full stock:
- All wool 36-inch Flannels and Serges—full line of colors, only 25c per yard.
- All wool 36-inch Checks—just the thing for children's dresses, only 25c per yard.
- All wool fancy novelties—just the thing and quite nobby, 37 1/2c per yard.
- All wool 40-inch Bicycle Suitings, 35c per yard.
- All wool 40 inch novelties in checks and stripes—reduced from 60 cents, only 50c per yard.
- Just the thing in Boucle, 46-inch wide, sold everywhere for 75c; our closing price 60c.
- Received another invoice of those handsome 52-inch rough effect novelties that you will pay \$1.25 for elsewhere; our closing price only 85c per yard.

BURIAL OF MRS. KENNERLY.

The remains of Mrs. E. J. Kennerly, who died recently in Bluefield, arrived in the city yesterday afternoon at 1:30 o'clock, and were conveyed to Fairview Cemetery for interment. A large number of friends attended the burial. The pallbearers were George Monroe, T. F. Barksdale, H. D. Guy, J. W. Gwaltney, S. K. Duerson and Moses Welch.

BETTER TIMES FOR SHOP MEN.

The Roanoke Machine Works, it is understood, will be able to do a better part than usual for their employees, especially in the blacksmith department, where the employees will in the future work ten hours instead of eight each day, and there is enough work on hand to keep the men employed every day in the week. It is expected that the time in the other departments will be increased shortly.

DEATH OF MRS. E. A. TROUT.

Mrs. Trout, wife of E. A. Trout, a foreman on the Norfolk and Western railroad, died at 3 o'clock yesterday morning. She resided at 70 Rorer avenue, S. W. A surgical operation had been performed on the lady, but death is attributed to heart failure. The funeral will take place this afternoon at 2 o'clock at the Calvary Church and the services will be conducted by Rev. E. W. Barnett, in the absence of Dr. Broughton, after which the remains will be interred in Fairview Cemetery.

POLICE COURT.

In the police court yesterday the case of Millie Withers and others charged with lighting was postponed; a young white man paid \$12.50 in the city treasury for getting drunk and resisting an officer. Bettie Rose was fined \$20 and given ten hours in jail on the charge of selling whiskey on election day. She gave bail in the sum of \$75 pending an appeal. Albert Smith, charged with threatening to shoot Conductor Austin for putting him off his train, was fined \$10; the case against John Rogers, colored, charged with breaking into the house of Anna Scott about a year ago and stealing two watches and a pocketbook containing a small amount of money, was continued until today.

DEATH OF A YOUNG LADY.

Miss Sarah Jakes died of consumption on the night of Sunday, the 5th instant. Deceased was a daughter of Mr. Eli Jakes, and death came in the 23d year of her age. The funeral was preached Tuesday morning at 10 o'clock by the Rev. J. C. Dinwiddie. She was buried in the City Cemetery about 12 o'clock of the same day and the services at the grave were conducted by Rev. J. C. Dinwiddie, of Bethany, assisted by Rev. C. D. Bulla, of Grace Church.

EN ROUTE FOR TRIAL.

Deputy Marshals J. W. Wilson, of Christiansburg, and Henry Hall, of Floyd, passed through the city yesterday en route to Danville, having in charge nine prisoners from the Shooting Creek and Runwell Bay sections, eight of them charged with illicit distilling and one with shooting at a revenue officer. They will be tried at this term of the United States court before Judge Paul.

A RECTOR RESIGNS.

At the conclusion of the services Sunday morning at St. John's P. E. Church Bedford City, Rev. T. W. Jones, the rector, announced to the congregation his resignation of the charge, and the acceptance of the church at Marshall, Tex. Only a few intimate friends were cognizant of his intention, and the announcement was a great surprise to the congregation.

CIRCUIT COURT.

In the circuit court yesterday but little business was transacted. The case of Dyer, Vaughan & Co. vs. the city of Roanoke was called and continued until the next term of the court.

UNION MEETING.

There will be a union meeting of the Christian Endeavor Society Thursday night at the Second Presbyterian Church. All members of the society are requested to be present. An excellent programme will be rendered, and an evening of enjoyment is promised all who attend.

TRAINS LATE.

Train No. 5 on the Shenandoah Valley due here at 5:30 a. m., was one hour late caused by a slight accident this side of Buchanan yesterday morning. The frame of the front truck was somewhat shattered and necessitated very slow running. No. 1 on the main line due here at the same time was over four hours late occasioned by the wreck of a freight train this side of Lynchburg. No particulars were learned concerning the wreck except that the freight train broke loose and the parts came together with a crash.

TO OUST DANIEL.

A special to the Washington Post from Richmond says: The Republicans, aided by the bolting Democrats, are rallying now for a bitter fight to elect Senator Daniel's successor. The legislature to be chosen next year is to name him. The Republicans and their Democratic allies have already begun the work of reorganizing their league in all parts of the State. The pretended issue is to be honest elections, and upon this old cry the combination is to make a dead set for Daniel's overthrow and the election of a governor. Consul General Fitz Lee, who is now in this country, will be the coalition candidate for this honor, if he will accept it.

A POPULAR YOUNG LADY.

Franklin Times-Democrat: Miss Mary Jones Carper returned home from Roanoke Wednesday. She was invited to play on the piano at the "Autumn Tea," given at the residence of Mrs. Shafer, on South Jefferson street, for the benefit of the Ladies' Aid Society of Trinity M. E. Church, and was also asked to play at the Y. M. C. A. hall on Monday night, on the occasion of Mr. Barr's recital, but was forced to decline. Miss Carper leaves on Tuesday next for Louisville, Ky., where she will be the guest of her friend, Miss Evelyn Long, for some months.

KNIGHTS AND LADIES OF DIXIE.

The Knights and Ladies of Dixie will meet to-night in their hall in the Wright block.

THE FLOWER SHOW.

The Opening a Grand Success—A Very Large Attendance.

The opening night of the Flower Show was a grand success. It seems that all Roanoke had turned out to help along this enterprise by their presence. The beauty and intelligence of the city to a large extent was there and there is scarcely a doubt but that all felt amply repaid for the time and money expended. Everybody seems to have enjoyed the occasion immensely. The promenade concert was a most interesting feature of the show as well as one of the most enjoyable.

The programme as published in yesterday's Times was carried out to the letter. The selections by the Roanoke Machine Works Band were greatly enjoyed and the special soloists all did a great deal to make the occasion pleasant for all. The selections by the young ladies, Misses Weaver and Hopkins and Mrs. Wells, of Hollins, were decided successes. As was the "Flower song" from "Faust" by Miss Williams, of Norfolk.

The exhibit of flowers is wonderful and will no doubt stimulate all who love flowers to put forth greater efforts to excel in producing them. Among the exhibitors are A. B. Davis & Son, of Purcellville, Loudoun county, who have the largest and most magnificent collection of flowers ever seen in this section. Their yellow, white, pink and pearl chrysanthemums are perfect specimens, many of them weighing from one to one and a quarter pounds. Jerry Shartzer's display is good and ranks next to Davis & Son. He has some beautiful specimens on exhibition. The exhibit from Hotel Roanoke by Patrick Foy is by no means small or insignificant, while twenty-five other exhibitors add their collections to swell the size of the show.

There are many rare plants which will be sold at a discount. Davis & Son will receive another shipment to-day and another early in the morning. Many cut flowers are on hand for sale and young gentlemen who attend the garden at Hotel Roanoke to-night should not forget that they can be supplied with flowers at the show.

The ladies are also serving lunch and refreshments under the tent. The tables are decorated and the centre pieces are ornamented with pink clover, the emblem of the Roanoke Chapter of the Daughters of the American Revolution. Oysters were served last night and were much enjoyed. To-day admission will be furnished and lunch served for only 25 cents. Business men and office clerks would do well to take lunch under the tent to-day instead of going to their homes.

A magnificent Behr Bros. grand was used at the concert at the Flower Show last evening. It is really a superb instrument, and was greatly admired by everyone.

The following is the programme for this evening's entertainment:
Orchestra, Selected.
Vocal Quartette, Alleghany Institute.
Orchestra, Selected.
Butler and Armstrong in their laughable sketch, "Snowball Green and Wife."
Orchestra.
Glee Club, Alleghany Institute.
Orchestra.
Orchestra.

Butler and Armstrong need no introduction to the people of Roanoke. Many people from a distance were at the show last night and if the people in the neighboring towns and in the adjacent country only knew of the grand opportunity afforded to all to see such a magnificent display of flowers they would not fail to see the show.

AFTER THE SPOILS.

Who the Various Aspirants Are for Federal Offices.

It is nearly one and a half years before Postmaster Dupuy's term of office expires, but since the election there is already some agitation among leading Republicans as to who is entitled to step into Mr. Dupuy's shoes. It is understood that a petition for the position is already being circulated in behalf of W. H. Strickler, who is at present manager of the New Home Sewing Machine Company in this city. The petition is being quite numerously signed, and if the old adage, "The early bird catches the worm" be true, Mr. Strickler will give his competitors a lively fight.

Among others prominently mentioned as aspirants are W. A. Pattie, Col. J. W. Hartwell, Prof. P. C. Leary, W. P. Huff, H. C. Starkey and A. S. Ashberry. The latter was seen yesterday by a Times reporter and when questioned as to the correctness of the report that he would be an aspirant for the position said that he would be an applicant for the office at the proper time, but that as the present incumbent would hold the office for more than a year, that he (Ashberry) did not consider it a proper time to agitate the matter and that for the present no petition would be circulated in his behalf.

It is also said that Col. Hartwell and Col. J. Hampton Hoge will both be aspirants for the position of district attorney now held by A. J. Montague, of Danville. W. Lee Brand, of Salem, it is said, will be an aspirant for the position of internal revenue collector in this district.

IT WAS PREMATURE.

Rome, Nov. 10.—The correspondent here of the Associated Press has made inquiries at the Vatican with the view of obtaining a confirmation of the report that the Rev. C. F. Thomas, of Baltimore, Md., has been appointed bishop of Wilmington, Del. In reply the correspondent was informed that, although the eventual appointment of Father Thomas is possible, the announcement is premature, and that no bishop of Wilmington will be named until the next consistory.

100 ARMENIANS KILLED.

Constantinople, Nov. 10.—The report in circulation here on Thursday last that a massacre had occurred in an Armenian village near Kalschir, and that sixty persons had been killed, was not exaggerated. On the contrary the affair turns out to have been more serious than at first announced. The massacre occurred in the village of Everek, 100 persons were killed, and nearly all the Armenian houses were pillaged.

DEED OF INCENDIARIES.

Hamlin, W. Va., Nov. 10.—Incendiaries fired James Abbott's house last night. Cora, his daughter, aged 20, was burned to death. She was recently acquitted for the alleged blowing up of Squire Vance's house with dynamite, killing one and injuring others.

A BIG MAJORITY.

Denver, Col., Nov. 10.—The official returns show the majority for John A. Shafroth, in the First Congressional district, is 54,373. This is the greatest majority ever given a member of Congress since the foundation of our government.

FROM THE MUSICAL AGE, NEW YORK, NOVEMBER 4, 1896.

"Among the limited list of these makes for which the high grade standard has been achieved, and which have stood the test of time, that test before which so many fail, can well be counted the pianos of the eminent concern of Behr Bros. & Co. Thoroughly identified with strictly first-class production, and unserving in their determination to maintain only one grade of manufacture, and that of the highest, the house of Behr Bros. & Co. has succeeded in attaining a deserved position in the front ranks of American piano manufacturers."
